WORK EXPERIENCE

SAP EWM Consultant

myBrand Conclusion • 1 March, 2019 – Present

Worked with various clients, including Bruna, EGF, ASICS, Hunkemöller, ASR, and Eneco in a consulting role. Most of my experience was gained at ASICS, where I was involved in several key logistics and supply chain projects:

- SAP EWM implementation at the European Distribution Center (Krefeld) and Distribution Center South (Montpellier)
- SAP MFS implementation in both Krefeld and Montpellier (both in collaboration with KNAPP) including to the vendor selection.
- Introduction of RFID technology
- Implementation of a new carrier structure to streamline logistics operations
- Rollout of the E-Commerce process in France
- Functional support for multiple warehouse locations
- RPA (Robotic Process Automation)

Moreover, I was responsible for a couple of pre-sales presentations for various customers in mainly the Retail Industry. Through these projects, I gained in-depth expertise in SAP EWM, SAP MFS, and SAP ABAP, which I developed through both implementation work and ongoing support activities.

SAP Trainee

ITrainee • 1 November, 2018 – 1 June, 2020

Completed an intensive SAP traineeship focused on gaining a comprehensive understanding of the SAP ecosystem and developing the skills necessary for a career as a SAP consultant. The program covered a broad range of SAP modules, as well as a specialization in logistics, including SAP MM, SD (Sales & Distribution), Inventory Management, and EWM (Extended Warehouse Management). During the traineeship, I worked at myBrand, where I further deepened my expertise through hands-on project experience and professional development.
